## **Music Jamming Session**

**9<sup>th</sup> Dec, 2025**

**DBS Global University | MBA | Music Club**

### **Venue:**

**Gazebo near Evara Café**

#### **1. Introduction (Short Description and Objectives of the Event):**

The Music Club of DBS Global University organized an informal *Jamming Session* for music enthusiasts on campus. The event was conceptualized as a relaxed musical evening where students could come together, share their passion for music and enjoy live performances in an open-air setting.

The key objectives of the event were:

- To provide a platform for music lovers across different programmes to perform and collaborate.
- To promote a sense of community, relaxation and creative expression among students after regular academic hours.
- To encourage budding musicians to gain confidence by performing in front of a live audience.

## **2. Schedule of the Event:**

The jamming session commenced at **5:30 p.m.** and concluded at **8:00 p.m.** at the Gazebo near Evara. Students gathered informally, and performances were taken up in an open-mic style format. The session included:

- Solo and group singing performances.
- Live instrumental accompaniments on guitar, clap box and keyboard.
- Interactive sing-alongs where the audience joined the performers.

## **3. Description of the Event:**

The evening began with a welcome by members of the Music Club, following which students were invited to perform songs of their choice. Under the guidance and presence of **Mr. Sachin Bisht**, Faculty Coordinator, the atmosphere remained vibrant, inclusive and encouraging.

Participants took turns singing a variety of Bollywood and contemporary songs, accompanied by guitar, clap box and keyboard. The informal structure of the jam allowed students to experiment with harmonies, impromptu collaborations and audience requests. Both performers and listeners actively engaged through clapping, singing along and cheering, creating a lively and energetic ambience.

Overall, the event turned into a memorable musical gathering where students bonded over their shared love for music.

## **4. Total Number of Participants:**

- Student performers: **15**
- Audience: Approximately **30** students

## **5. Key Persons Involved:**

- **Faculty Coordinator:** Mr. Sachin Bisht
- **Organizing Club:** Music Club, DBS Global University

## **6. Outcome of the Event:**

The jamming session successfully met its objectives by:

- Providing a comfortable space for students to showcase their singing and instrumental skills.
- Strengthening camaraderie among students from different batches and programmes through shared musical experiences.
- Enhancing the visibility and engagement of the Music Club on campus, encouraging more students to participate in future activities.

## **7. Beneficiary Group:**

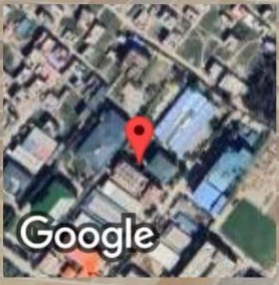

The primary beneficiaries were undergraduate and postgraduate students of DBS Global University who participated as performers and audience members.
